Good Afternoon Hazelwood Families,

Thank you for your engagement and participation in our family sessions this week! We learned a lot as a Hazelwood team and are eager to support you and your scholar during this time. We will be scheduling more family sessions in the future so stay tuned!

Next week, we will launch our FIRST set of virtual *scholar* community meetings! Community meetings are an important structure that we use as a school to maintain and uphold our school culture and values. Not only will we discuss topics that pertain to our STRIVE values (Self-Control, True Grit, Resilience, Integrity, Vision and Empathy), but we will also have a bit of fun too.

Please note: Community meetings are for our scholars; however, you are welcome to join as a spectator.

Don't forget to check our in-home learning page for next week's lesson activities and don't hesitate to reach out to your scholar's teacher if you have any questions or concerns. We are here to help!

### **Chromebooks**

Need a chromebook? If so, fill out the link below. More information will come soon regarding our phase 2 distribution plan.

All meetings will be recorded and kept on a local drive. Meetings will require a password. Please do not share this password with any other person for any reason. Prior to your scholar's participation in the meeting, please ensure they understand and agree to the following expectations outlined below. Failure to follow these expectations will result in immediate removal from the zoom call.

- A. Scholars must use appropriate language and exhibit all characteristics of STRIVE while on the call;
- B. Scholars may not post images or change their photograph during the session;
- C. If possible, please ensure that all scholar computer screens face the wall (or another hard surface) to prevent distractions (and away from TV noise if possible);
- D. Under no circumstance should any party to a zoom call capture a screenshot;
- E. Please ensure scholars are dressed appropriately;
- F. Please avoid loud spaces that can be heard when speaking.

### **Supervised Account Creation**

Students under the age of 18 should not go to [www.zoom.us](http://www.zoom.us) to create an account because (i) they should only be joining Zoom meeting sessions as participants (not separate account holders) and (ii) minors are not permitted to create an account per Zoom's Terms of Service. We will securely and confidentially provide meeting information and meeting passwords to families ONLY to ensure we can maintain supervision and control over the student users' meeting experiences.

Have a great weekend!

With much appreciation,

Tracey Tymczyszyn

Principal
